

# ANTI-PSORIC

Remedies related to major miasms.

Student notes on remedies related to the Major Miasms.

Recorded by Dr Marysia Kratimenos from details provided by Dr Farley Spink during his tutorial sessions for Long Course Students at RLHH.

Farley was recognised as an authority on the Bowel Nosodes and unlike most of the classical texts, his miasmatic groupings include the bowel nosodes.

Med	Thyris	T.B.
Carcin	Cyperus	T.K.
Syc. Co.	Sabinia	Bacill.
No 10		Carcin.
