Unit 42

PRINCIPLES & PRACTICE - methodological studies for Week 10

with Q& A worksheet

Student (name):

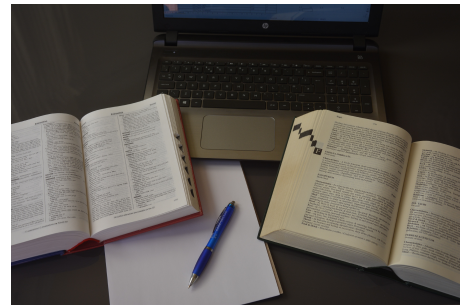

Completion date:

Methodological studies (principles & practice) - Q & A Worksheet

Unit

Study topic for this week: 'Suppression (Revisited)'

Your study case for Week 9 & 10 (Fraser C.) was arguably suffering from the chronic consequences of suppression. Please revise this topic, by referring to the articles provided in the Spring semester if necessary. Then answer the questions below with reference to the first review consultation video for Case 2.12 (Fraser C.) <https://youtu.be/ApadLhfxGZk>

Pages / sections

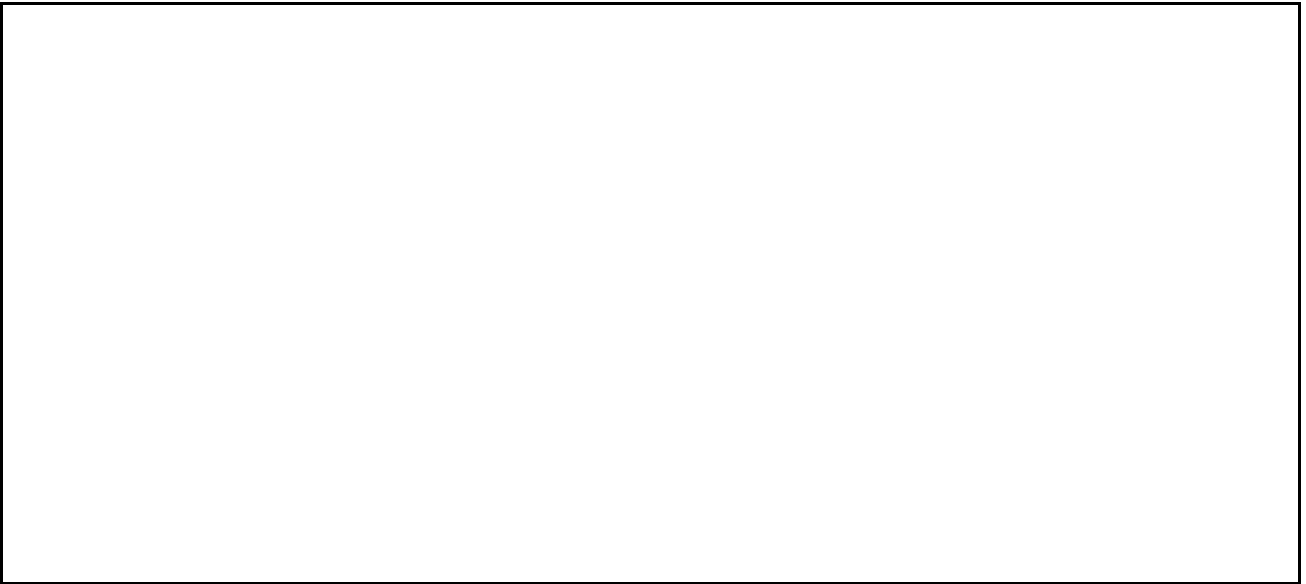

Reflection

When you have completed your selected reading and viewed the linked video, write short answers to the following discussion points and file this document into your learning portfolio.

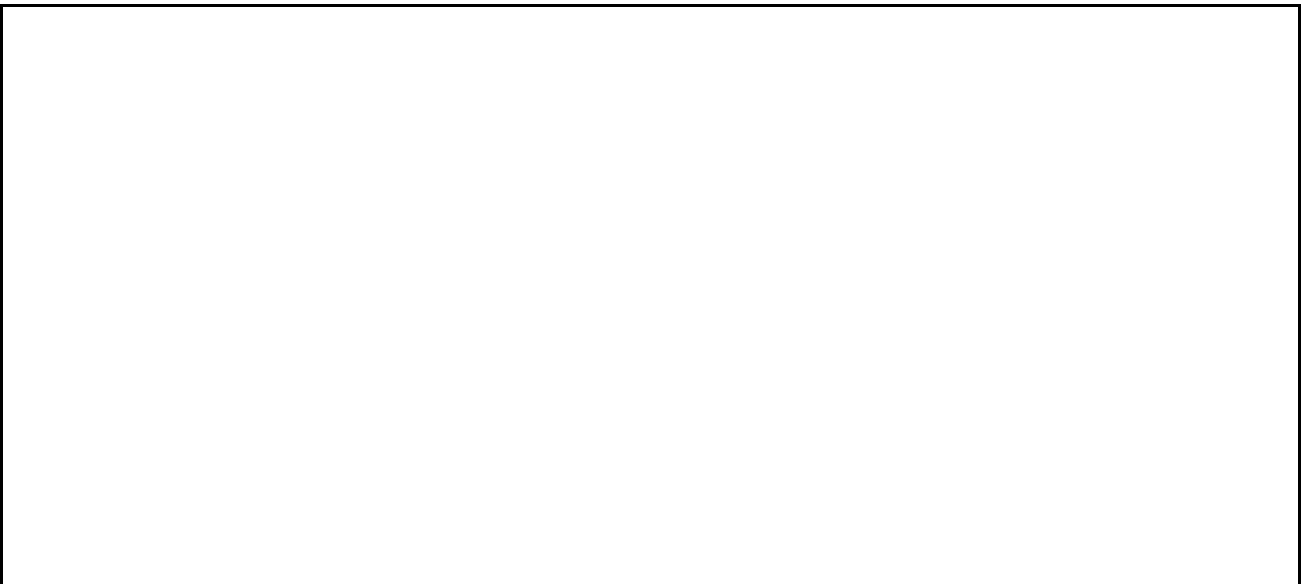

1.

2. See over /

2.

3.

When you have completed this weeks reading and reflection, consider any questions or comments that you would like to raise at the end of this week's Clinical Tutorial.

As an aide memoire, write down any points that you would like to discuss further in the space below.
